ARCHITECT

Soroush Shahhoseini

Architect exploring how AI and new digital tools can change the way architecture is designed and presented.

Available for part-time and project-based work

thissoroush@gmail.com · +98 920 220 8232 · Tehran, Iran · Born 2003

PROFILE

Architect with a bachelor's from the University of Tehran, now starting a master's in project management. At Banian Studio since 2023, where I design, present, and bring AI and new digital tools into the office.

EXPERIENCE

2023-now

Architect · Banian Studio, Tehran

- Design and presentation work on the studio's projects.
- AI-enhanced renders and animations with ComfyUI.
- Built the Banian Studio website and its internal management web app, with Claude.
- Virtual tours of architectural spaces.
